Is your IT Pure and Simple?

PURE TECHNOLOGY

YOUR IT SOLUTIONS PARTNER

When you partner with Pure Technology, you're not getting another IT vendor, you're gaining a business resource with over 20 years of experience. Our busines is technology and our goal is to become your trusted partner so you can focus on your business while we focus on your IT. Satisfied clients benefit from reduced costs, strategic alignment of targeted initiatives, and a robust infrastructure with less down time.

PEACE OF MIND ... DELIVERED

For over two decades, Pure Technology has helped companies like yours innovate and transform by leveraging its unique approach to IT. With our "peace of mind" support plans, you can rest easy knowing you're covered with 24/7 monitoring and support. We can work hand-in-hand to support your existing technology team or take full responsibility and free up valulable resources within your business. Enjoy fixed predictable pricing so you know what you're getting and what you're paying before there's a problem. Now that's Peace of Mind!

INDUSTRY LEADING SOLUTIONS

We know our customers have come to expect reliable, industry leading solutions - that's why we partner with major vendors like Microsoft, Google, HP, Dell, Cisco, Sonicwall, Intuit, TrendMicro, and RingCentral just to name a few. Whether you are looking for a single computer purchase or a complex multi-site network rollout, you'll find that Pure Technology can provide your business the right solution from our trusted partners.

Can your IT Provider do all this?

SIMPLE POS SOLUTIONS

Our sister company, Simple POS Solutions specializes in providing other technology for the restaurant and retail verticals. Although primarily a Point-of-Sale solution provider, Simple POS offers many other services such as Digital Signage and Menu Boards, Credit Card Processing, CCTV Surveillance Cameras, Barcode Scanners and Printers, Multi-Store integration and much more. Along with IT support from Pure Technology, these solutions are available for tranditional businesses.
